My dream.

I have a dream. I very much wish to obtain more than 90% marks in VIIIth class. I can make my this dream come true. From the beginning of the session, I have to make a 'schedule' for studies for the whole of the session. From ~~March~~ to April to November I'll complete my full syllabus and make notes myself. In December I'll make a quick revision and take 'Half Yearly Examinations'. In January to February I will revise all subjects, Thus I can make my dream come true.
